To people who upload Shi-Ki releases!

You are not to upload our releases to online readers or any other forum/sites until 24 hours have gone by!

Failure to do so will 'force' Shi-Ki to watermark their releases...in nice big letters that will annoy the readers!

This means that if Shi-Ki finds just one person doing it, everyone will get affected cuz...we do the scans so we'll give a fuck about others, just like the others give a fuck about us!

The stuff with my letters

Please give me an excuse to start watermarking the our stuff, making all of you cry blood from your eyes! Yes, I'm just looking forward for you people to hell, lolololol. Because T1 doesn't care, using any kind of excuse will not affect T1 a bit, even excuse like: "The place I downloaded from never used anything about that" You shithead could just have downloaded from us!

This note is a result from all the shit online readers have been the reason to our problems so far and T1 not getting enough comments on releases while the other places are getting too many at T1's eyes...so totally not sorry!

- Shi-Ki

An anime-style illustration of three young girls standing together against a sunset or sunrise background. The girl on the left has brown hair with pink bows and is wearing a dark coat. The girl in the middle has light grey hair and is wearing a dark coat with a grey scarf. The girl on the right has brown hair with purple eyes and is wearing a dark coat. They are all looking towards the viewer.
